HOLY VISION AT A GLANCE

Holy Vision Public Secondary school was set up in 2048 B.S by a dedicated team to fulfill the growing need of education from private sector. It is situated at the central part of Bharatpur Metropolitan City-4, Yagyapuri, Chitwan. It is 2.5 km south-west from Narayangadh Bazaar (Shaheed Chowk), 2.0 km west from Bharatpur (Chaubishkothi) and 0.5 km north-west from BP Memorial Cancer Hospital on the way to Rampur. It is stretched in 23 Katthas land with peaceful environment. The school has its own **permanent building**.

This school is being run by highly qualified, dedicated and hardworking shareholders cum teaching faculties. Each member is highly experienced and dedicated to his work emotionally and intellectually. It is our and school's pride that our school has been able to position its name and fame in the district because of its extra- curricular activities, Co-curricular and excellent academic results. The school has been offering

Grade XII (10+2) since academic session 2076 B.S. **(Management, Education and Humanities Stream).** It will soon offer other courses in coming years.

Vision:

Our vision is to build a highly competitive private school that will become the number one choice for both parents and students in the area. We are committed to imparting the life-long values like teamwork, service, excellence and integrity.

Mission:

The mission of Holy Vision Public Secondary School is to provide professional, practical and conducive learning environment to students at different levels of learning. Our overall goal is to position our school to become the leading private school brand in the educational field in homeland-Chitwan, in the nation and in the Globe.

Principal's Message

You all valued well-wishers,
Let me welcome you all with warm namaskar!

Holy Vision is the only school/college that has been able to show 100% results in the S.L.C. (Grade 12) examinations since its beginning.

Let me congratulate all the students, parents and teachers at this moment.

I would like to express my immense pleasure that Holy Vision Public Secondary School/College has adopted a policy to accomplish 21st century skills in learning facilitation process as demanded by national curriculum.

It is a matter of pride that Holy Vision Public Secondary School has already proved itself as a distinct learning centre for learners in the vicinity of Bharatpur Metropolitan City. Attaining quality and practical education in these days has been a big challenge. We (the team of HVPS) are habituated and committed to fighting against any challenge to satisfy the thirst of the young learners and their parents. We have been running +2 (Grade 11 and 12) from the academic year 2076 B.S. We really believe: **Action speaks louder than the words.** We would like to assure you that we will use our all educational efforts to bring the changes in teaching learning activities so that your children will believe in action (doing) rather than bulky piles of theories. The principle of learning through practice underlies every major feature of HVPS. Having committed to providing you with quality education, I kindly request you to send your child to HVPS to flourish and **shape his/her better future.** If there is one institution you can trust in Chitwan; it's Holy Vision Public Secondary School (College), which will turn you and your child's dream come true in time. Moreover, you will be ensured to get the exceptionally extraordinary child and the desired results after the completion of grade XII, i.e. School Leaving Certificate (S.L.C.) exam. I beseech you to have a complete trust on your school and its administrative body. Finally let me conclude - our school is surely an invitation to learn. You are welcome to Holy Vision Public Secondary School (College). Thank you.

Words from the Chairperson

Respected guardians and students,

We are already late to learn something new. The new thing comes out only with hard efforts and determination. With significant efforts and determination, Holy Vision Public Secondary School (College) has been running **+2 (Grade XI and Grade XII)** in Management, Education and Humanities Stream. Holy Vision Public School family is committed to showing outstanding results in each summative evaluation every year.

Education means a change in behavior; especially from negative to positive or from wrong habits to good habits. We promise you all to bring changes in the behavior of our students with good counselling, constructive support and value-laden training along with 21st century skills. We are eager to create a conducive environment for learning using long experience and high commitment.

We offer you an assurance that every child is a potential child and is capable of doing something. **We know every child can excel their parents.** We not only teach but also shape your child's future. Finally, we kindly request you to give us your child. We promise we will return you your desired dream. You are welcome to HVPS. Thank you.

Topper : S.L.C. - 2077

Hi. It's me Hira Maya Kandel. I was the only student among the girls in my batch, but I appreciate my teachers and friends who never made me feel alone. I claim I was able to be competitive because of the good guidance and homely environment of the teachers. I was treated like a daughter in the school. I felt school was really my second home.

Hira Maya Kandel

Leading student : S.L.C. - 2077

It's me Susma. I assure you all that we can be shaped in a trustworthy manner if we join Holy Vision. However, I was from a Government school; I was able to stand in the first position in the class because of the high cooperation, student oriented teaching learning activities, and inspiring administration. I request all the youngsters to have complete trust on the team of Holy Vision.

Topper : S.L.C. - 2077

I am Pramesh Kandel. I am from Tanahun. I did not know much about the school/college. But, when I joined the school; I found it was really different. I can't bring my heart into my tongue. I did well there because of qualified and friendly teachers. I assure you all that you will get all the skills systematically what you need in your life at school.

Pramesh Kandel

Leading student : S.L.C. - 2078

I am Soniya Sharma Pathak. I really appreciate regular classes, valuable guidance and exceptional support of the school to groom the talents of each students. I would like to invite my youngsters to be a part of +2. Let's join the school and let's shape ourselves.

Soniya Sharma Pathak

Leading student : S.L.C. - 2079

I am Nirdosh. I am one of the leading students in the school. I am really proud of my school as I have got a conducive learning environment, warm love, good guidance, and high respect from the teachers and school management team. We often get the lectures and guidance not only to pass the exams but also the ways to go ahead in life. What I want to express is that I have got more than a normal student gets in my school.

Nirdosh Sharma

Leading student : S.L.C. - 2079

People call me Aavaas Aryal. I have been a part of Holy Vision Public Secondary School. I know I am confident and frank as I have learned a lot from the school. I love the school's focus on soft skills and hard skills during teaching-learning activities. I can predict my school will do a lot in the future. I openly invite all my youngers to join Holy Vision and get an opportunity to flourish in a number of ways.
